

## **AR Village Quilt Show Silent Auction**

The Silent Auction will benefit the charitable programs of HSV Quilt Guild, Inc. serving the children in our community — Arkansas Head Start, CASA of Garland and Saline Counties, Cooper Anthony Mercy Child Advocacy Center, and First Step.

The Silent Auction will feature small and miniature quilts for your bidding pleasure. These mini masterpieces vary in size up to a maximum perimeter of 120 inches and are constructed using a variety of themes, styles and techniques. From holiday themed quilts to art quilts, there is something for everyone. These quilts are lovingly made by members of HSV Quilt Guild, Inc. They are the perfect size for a table centerpiece or wall hanging.

Bidding on each quilt will start at \$20, and continue in \$2 increments until each auction closes. We'll have two different set of quilts to be auctioned each day of the show. Winning bidders may pick up their quilts after each auction closes.

Be sure to come by the silent auction area during the show and check it out!
